On Friday, May 3, 2013, the Vancouver regional chapter of Heidelberg Alumni Canada (HACA) gathered for a special tour and tasting at ThomasHaas Chocolates & Patisserie in North Vancouver.

German born Master Pastry Chef, Thomas Haas led the group through the steps of the chocolate making process, speaking to the origins, various types of quality and characteristics of chocolate. A highlight of the tour included sampling chocolate during the various stages of production. Mr. Haas also spoke about his philosophy for building a successful business and maintaining the highest in quality standards.

The event was informative, lots of fun and a delicious opportunity to catch up with fellow alumni.

We wish to thank everyone at ThomasHaas for opening their kitchen to us, especially Thomas Haas himself for sharing his expertise, experiences and many humorous stories. Finally, we thank those alumni and their friends and family who came for attending.

We look forward to seeing you at our next event!

Bianca and Melanie Solterbeck
