Dear Heidelberg Alumni and Friends,

We have a real treat for you!

Heidelberg Professor Dr. Joachim Wambsganss has offered to talk about the fascinating Question

“In search of Terra-2: Is there a second Earth out there?”

In Heidelberg, Joachim Wambsganss created, planned, and managed a daily series of 70 short public talks at lunch time, entitled: *"Uni(versum) für alle! - Halbe Heidelberger Sternstunden"*. Instead of the “Astronomical Lunch Break”, the setting in New York will be a Fireplace Talk (without the fire place).

Please join us on

Thursday, March 12, 2015, 6:30 p.m. at

World Bar, 845 United Nations Plaza (First Avenue @48th Street)

Phone: 212-935-9361

Appetizers will be served; drink specials cash bar. Program starts at 7 p.m.

[Joachim Wambsganss](#) is professor at Heidelberg University’s Department of Physics and Astronomy, Director of the Centre for Astronomy of Heidelberg University, and Director of the Astronomisches Rechen-Institut (ARI).

We are very happy that Prof. Wambsganss has graciously offered to talk to us and we look forward to an interesting discussion. The event is open to friends.

Please RSVP by March 10 by registering [here](#).

We look forward to seeing you on March 12!
